RV-7A C-GQRV flew from the Abbotsford airport in British Columbia for the first time April 20, 2007. Kit #70989 was started in Aug 2002. Equipped with an Aerosport ECI 360 fuel injected, lightspeed plasma II, Icom A200, Garmin 296, EIS4000, Sensenich fixed pitch.

Thank you for the wonderful kit.
